

North Park Stake Humanitarian Project

We are going to be making baby hygiene kits for the Little Lambs Foundation. We want you to start gathering the following donations for our service project:

- Baby lotion
- Baby bath
- Diaper rash cream
- Dove soap
- Baby washcloths
- Baby wipes
- Size 4 Diapers
- New books for infants up to 17 years

Individual donations can be given to the ward representatives. We will assemble the kits as a stake at a later date.
