42 W. 200 S.  
Hyde Park, UT

May 2, 2026  
10:00-12:00

Come enjoy a service-oriented open house and learn about small and simple ways you can serve others! We will begin together with a devotional to learn about the Cache Humanitarian Center. Then sisters can choose from the following opportunities:

- Log in and learn about Just Serve
- Discover how to use Ordinance Ready
- Assemble hospice and cancer patient kits

An assortment of breakfast items will be provided as a light refreshment. Casual dress.

## Donations

We are asking everyone to bring a pair of socks for our hospice and cancer patient kits. We will also be collecting specific items from each ward.
